Making salt for four generations

Since 1882, our salt has been made with the same traditional artisan methods in the coastal town of Maldon. It is unchanging yet ever-changing, constant yet continuously challenging. However, the salt always remains the same.

For your everyday Ja-Dah! with Silver Spoon

tering mark approved products, to help reach gold standard

Silver Spoon is a member of the Food for Life Catering mark scheme

Proudly Grown in Britain

We work directly with 1,200 British farmers in East Anglia to grow our sugar beet.

The sugar beet then travels directly from farm to local factory - the most efficient journey from field to spoon.

In just a few simple steps our factory in Bury St Edmunds turns the sugar beet into our range of homegrown sugars!

What's more we really care about sustainability; our bags are recyclable, we offset the paper we use by planting trees, we send nothing to landfill and our excess production energy powers British homes.
