#### **ABOUT US**

We're suppliers of an unbeatable range of local produce as well as wholesalers and distributors of the best fruit and vegetables from growers across the globe.

Locally grown fruit and vegetables are key to what we do. Our depot lies at the centre of three of the UK's major growing regions, Evesham to the south, Yorkshire and Lancashire to the north and The Fens to The East. We have long standing relationships with the best growers in all three areas enabling us to be wholesalers and distributors of an unparalleled range of the finest locally grown fresh produce.

All these products and many others detailed on the map overleaf are grown and harvested within a few miles of the depot.

#### WELCOME TO OUR LEICESTER DEPOT

## Proudly Grown in Britain

We work directly or with 1,200 British farmers 28 MILES in East Anglia to grow our sugar beet.

36

The sugar beet then travels directly from farm to local factory - the most efficient journey from field to spoon.

In just a few simple steps our factory in Bury St Edmunds turns the sugar beet into our range of homegrown sugars!

💜 What's more we really care about Sustainability; our bags are recyclable, we offset the paper we use by planting trees, we send nothing to landfill and our excess production energy powers British homes.
